

MACLT Name Change Policy

Adopted 05.12.25

In the event that the name on a homeowner's mortgage and/or deed changes, MACLT will prepare an addendum to the relevant legal agreement(s) between the homeowner and MACLT. The addendum will reference the original legal agreement(s), add the new name and/or remove the previous name.

The addendum must be signed by all affected parties and recorded. The homeowner will pay for the cost of recording.

This policy only relates to a name change for an existing MACLT homeowner. It is not intended to address adding a new party to a mortgage or ground lease or in any way changing the ownership of an MACLT home.
